BRAHMATAL

A real beauty.

Brahmatal Lake is located in Chamoli district of Uttarakhand.

According to Hindu belief, lord Brahma (the Creator) had meditated beside this lake and hence it got its name as Brahmatal Lake or Brahma's lake. It had become a good trekking spot because of its proximity to plains as well as breathtaking views of some of the famous peaks of Mt Trisul and Mt Nanda Gunti. The lake is 3718 m above sea level. There is a big camping ground near the lake. The lake has religious significance and needs to be respected according to local traditions. Brahmatal Lake is a picnic spot for nearby locals. Enjoy the beautiful Himalayan ranges from the top and while en-route. Enjoy the sunrise and sunset views and beautiful views of some of the most beautiful snow covered peaks of Mt Trisul and Mt. Nanda Gunti. Meditate and enjoy the nature. It snows heavily at Brahmatal Lake during winter season.
